About Me

I am a Graphic Designer with an interest in promotions. I graduated with a Bachelor of Arts degree in Graphic Design from the University of Northern Iowa with a minor in Art History. As a young artist I like to keep up to date with trends that keep people interested, like learning to design with CSS and Dreamweaver. I grew up in Iowa, and take advantage of the wonderful climate, whether it be snowshoeing in the winter or riding my bike on RAGBRAI during the summer.

Experience

Promotions Assistant

Gallagher Bluedorn Performing Arts Center

August 20 - May 20

Work on a wide range of promotional materials e.g.: posters, fliers, programs, ads, brochures, direct mail, etc. The content for much of the work was outside sources, so great communication between clients was essential. The work needed to be produced at a fast-pace, as well as have a professional-level look.
